HOW TO GET OUT OF SURVIVAL MODE:

You can't do it all,
but you can do a lot.

You have big dreams,
and your life is so demanding.

Maybe you wonder how
you will ever
accomplish anything important.

HERE'S THE PLAN:

Do **FOUR** important things
every day for **90** days.

If you skip a day, just begin again!

If you write down your four goals every morning,
or every night before you go to bed, you might
actually change your life, live your dreams,
and get out of survival mode.

Start Today.

Philippa Mann

"TODAY I WILL BEGIN AGAIN"

Today I will begin again, as hope rises as a flutter in my heart.
The regrets and could of beens of yesterday are buried in the past.
It's time to look up now and see the dawning light of change;
it all rests in my Savior's grasp, so I'll travel on with Him,
into the next season of my life, not knowing what it will bring,
but one thing is certain He knows all things!!

Meghan Thomas

"TODAY I WILL BEGIN AGAIN"

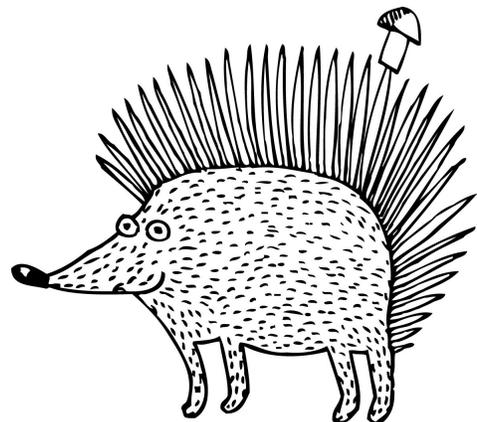

When we've done what we can, we must begin again.
We are not alone on this pilgrimage GOD has put us on.
CHRIST is our destination, for if HE is not, we will be lost.
Let us look to HIM on the long journey at sea!
Let us grab HIS hand as the trials come.
HIS WORD is sure, do not doubt it.
HE IS waiting and willing to help in HIS GODLY,
wonderful and triumphant way!
I will let HIM help me today, I will begin again.

Krystal Branom

"TODAY I WILL BEGIN AGAIN"

Today I will begin again.
I will start over
Or pick up where I was.
I will dust off
And leave the past in yesterday
Where it belongs.
Unless my thoughts are of yesterday's good things
And then...
I will be thankful for them!

Lee Kuper

"TODAY I WILL BEGIN AGAIN"

Today I will rise-
Up in response to cries.

Without thoughts of self or sleep
I will minister- assuage that grief.

Memory sapped of yesterday's fears and trials
I will get up and wrestle through grocery isles.

A staff of the Lord may be all that supports me
I will arise, give all, remain free.

Unique- one of a kind, I am me
I am where and what the Lord meant me to be.

So with all that is gone awash in the past
I press on, no care how long this phase lasts.

Dressed under his mantle, girded against my woes
I am up- I am ready, facing wherever the wind blows.

A daughter, made perfect by his blood
I will reflect, offer up, make this sacrifice good.

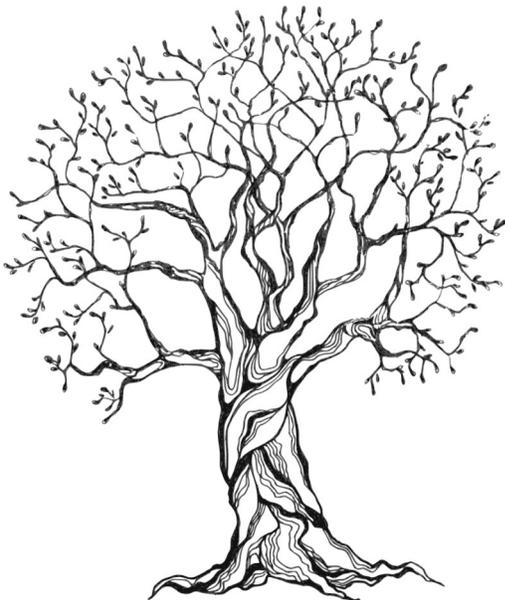

Not a product of Mice or Men-
Today, I will begin again.

Samantha Shad McGowan

"TODAY I WILL BEGIN AGAIN"

Today I will begin again,
I will pick up my head and start anew.
Things didn't go as I had planned,
But I know God will pull me through.
Each time I think that I have failed,
I remember at least I tried.
It might not look so bright right now,
but I will overcome with God by my side!

Rossana Sandoval Villagra

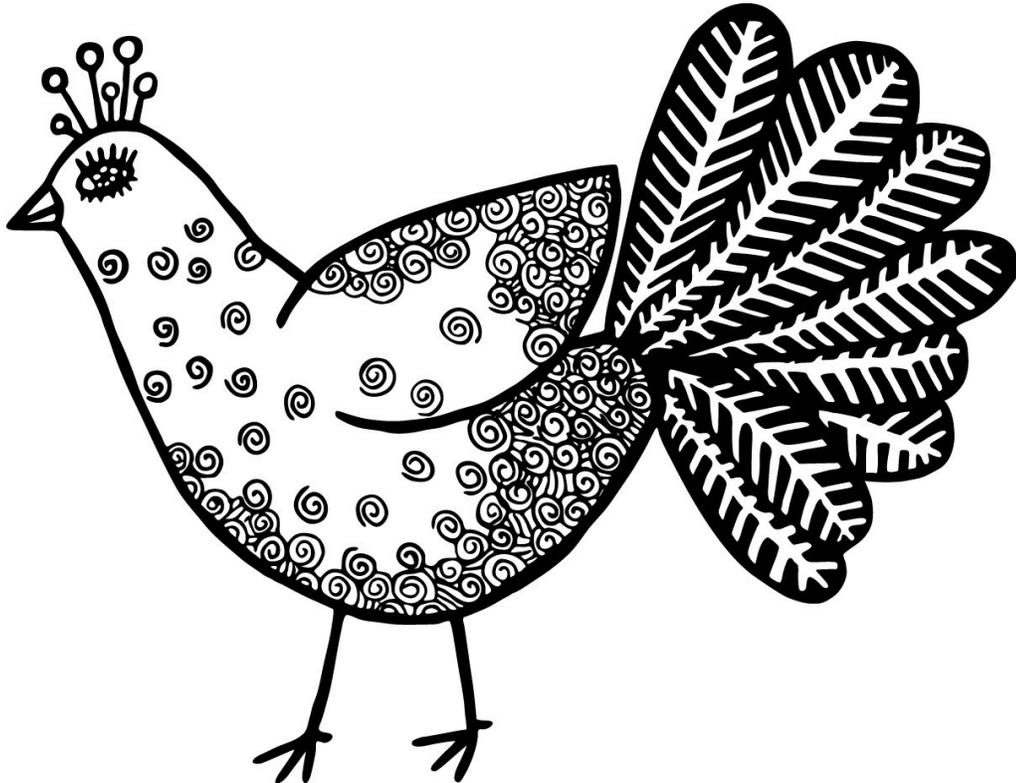

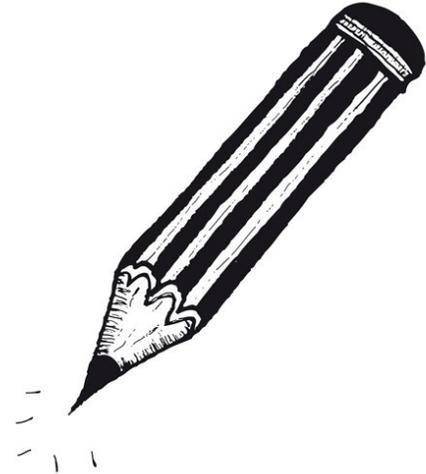

"TODAY I WILL BEGIN AGAIN"

Today I will try again
Today I will ask God to help me once
again
I can't do this alone
Lord please help me, lift me up once
again
Tomorrow.. I will begin again.

Lynne' Sleiman

"TODAY I WILL BEGIN AGAIN"

A rising sun and sparkling day
All its own, gleaming with play
But urgent tarnishes and guilt and "should" stay and say,
"Why aren't you doing this and this and that and those."
And I wilt and droop and shuffle my toes
Check each box and tie those bows
Moving, doing, goes goes...
No.
Today I will begin again
Slowing down the going goes
Ignore the boxes, admiring the bows
Smiling, hugging, tickling toes
Speaking softly, eye to eye, nose to nose
and say,
"You are most important today"
Then,
Little eyes gleam with play
And the sun sets on this sparkling day
